

Three Places, One Explanation

Name: _____ Class: _____ Date: _____

Use only this page and what you learned in class. No internet search is required.

1. Mark three places

Find all three labeled sites: Badaling, Jinshanling, and Yumen Pass area. Add a triangle beside the two mountain sites near Beijing. Add a sun beside the desert-edge site in the northwest.

EAST ASIA
Modern coastline and
selected sites

2. Write 50-80 words

Explain how location, people, and supplies affected what a wall could do. Use at least two of the three places on the map and include one limit.

Optional language support

The site at ____ is near _____. This location could help because _____. People also needed _____. However, a wall could not _____.
